

**Programs and Services**

Bus Transportation  
All students in grades 1 through 5 are provided bus transportation to and from school. Students in grades 6 through 12 who live at least one and one half (1.5) miles from school are provided bus transportation to and from school. Morning kindergarten students have transportation to school only, while afternoon kindergarten students may ride the bus home.

School Lunch Program  
All schools provide a nutritionally balanced breakfast and lunch each school day. Lunch consists of a varied menu with milk and dessert. Free and reduced lunches are available for eligible applicants. Elementary Schools - breakfast \$1.25, lunch \$2.25. Middle School - breakfast \$1.50, lunch \$2.75. High School - breakfast \$1.75, lunch \$3.00.

Early Drop Off Program (privately operated)  
Children in the elementary schools may be dropped off at the Jacques Memorial School as early as 7:00 AM. This is a fee-based program. Interested parents should call the New Mornings Program at 669-3591.

After School Programs (privately operated)  
The Middle School Enrichment/After-School Program provides interesting and fun after-school, school vacation and summer options for students. The parent-initiated program is supported by student fees, grants and fundraising activities.

Gifted and Talented Education  
At the Elementary and Middle Schools the gifted and talented program provides direct services to students with exceptional strengths and talents. Students in grades 3-8 are referred to this program by the classroom teacher based on student performance, work habits, social readiness, as well as testing done by the Gifted and Talented teacher. Challenging and enriching activities are provided for the students accepted into this program.

Guidance Services  
At the Elementary and Middle Schools guidance services are provided by guidance counselors as well as a psychologist. This staff does individual and group counseling, parent counseling, classroom lessons, student testing, as well as providing for outside counseling referrals when necessary.

MHS Student Services offers a comprehensive guidance and counseling program. Besides the counselors, staff includes a psychologist, a social worker, and a career counselor. Also available is a resource and career center for students and alumni.

Special Education Programs and Services  
Special Education services are provided to students between the ages of 3 and 21 through the process of evaluation and identification. Milford School District provides a comprehensive range of specialized instruction based upon the unique needs of identified children. Specialized instruction includes, but is not limited to, general remediation and/or specialized programs at each level within the District.

Summer School  
Summer school provides the opportunity for students to receive remediation and support to strengthen skills and prepare for a successful ensuing year. Summer School programs provide support for elementary, middle and high school students. MHS offers credit completion programs in Math, English, Science, and Social Studies.

Title I Programming  
Under the Elementary and Secondary Education Act of 1965 (ESEA), the federal government provides to local school districts funding designed to help children meet the state proficiencies. This funding is known as Title I. Specifically, the purpose of Title I is twofold: (1) to provide children with supplemental support through enriched and accelerated school programs; and (2) to provide instructional personnel in participating schools with opportunities for professional development.

Title I Summer Skills Reading and Math Program  
This three-week summer program is offered to identified Title I students in grades K-5. This program is designed to reinforce reading and math skills taught during the school year and to continue remediation. Each student's areas of need in both reading and math are targeted and instruction is matched to meet these needs.

Destination Imagination  
Students of the Milford School District can participate on Destination Imagination (D.I.) Teams at elementary, middle, and high school levels led by parent and teacher volunteers. In D.I., participants work together to create unique solutions to team challenges through their uses of creativity, teamwork, and problem solving. More information can be found at [www.nh-di.org](http://www.nh-di.org).

Information Literacy  
Students at all schools have access to current media and print resources and technology applications. A comprehensive information literacy/technology literacy curriculum guides integrated instruction throughout the grades.

Driver's Education  
The Milford School District provides a fee-based driver education program to students who meet age eligibility requirements. Classes are offered on a year round basis. Students receive both classroom and on-the-road training to prepare for the NH State Driver Examination.

**Programs and Services continued**

Applied Technology Center  
Milford and area high school students (Hollis-Brookline, Souhegan and Wilton-Lyndeborough) have the opportunity to participate in Career & Technical Education Programs that will give them a head start in becoming college and career ready for the coming economy. Rigorous programming is available in the following areas: Accounting, Biotechnology, Business Technology, Computer Programming & Technology, Construction Technology, Culinary Arts, Graphic Arts, Marketing, Precision Machining, Pre-Engineering, Video Production. Dual college/high school credit and/or college articulated credit is available in some programs.

MHS Athletics  
Fall: Football, Volleyball, Soccer, Cross-Country, Golf, Cheerleading, Field Hockey.

Winter: Basketball, Indoor Track, Wrestling, Cheerleading.

Spring: Baseball, Softball, Tennis, Track, Lacrosse.

MMS Co-Curricular Activities  
As part of the total education program, MMS offers a number of after-school activities and clubs which encourage the development of cooperation, interdependence, confidence, and pride. Activities include Drama, Student Council, Math Team, Art Club, Yearbook, School Newspaper, Mock Trial, Computer Team and Kaley Speaking/Kaley Writing.

MHS Co-Curricular Activities  
MHS offers a wealth of co-curriculars for enrichment, leadership and service, and academic challenge. The latter include award winning Art, Mock Trial, Math, Music, Computer, We the People, History Day Teams, Skills USA and Science and Engineering Expo competitors.

Other co-curriculars include French and Spanish, Marketing, Business, History, Bible, and Environment clubs; along with Radio Broadcasting, Theater, Music and Arts festivals, S.A.D.D., National Honor Society and Student Council.

**Professional Development Goals & Priorities**

**Jacques Memorial Elementary School**

- To develop an effective Kindergarten program that supports the learning of all Kindergarten students.
- To continue to improve reading and math instruction for all students through RtI practices and programs.

**Heron Pond Elementary School**

- To continue to improve reading and math instruction for all students by expanding RtI practices and programs to all grades.
- To expand personalization efforts through the use of Performance Pathways and student goal setting protocols, and e Portfolios.

**Milford Middle School**

- To expand personalization efforts through the use of Performance Pathways, student goal setting practices and ePortfolios.
- To improve reading and math instruction for all students by introducing RtI practices and programs.

**Milford High School**

- To expand personalization efforts through the use of Performance Pathways and other softwares.
- To continue to improve reading and math instruction for all students by expanding RtI practices and programs.
- To continue to improve curriculum and instruction by developing a system that includes curriculum maps and guides, core assessments and shared teacher resources.

Director of Computer Technology	Scott Field <a href="mailto:sfield@sau40.com">sfield@sau40.com</a>	673-2202

**Communications Connection**

The School Board, administration, and teaching staff recognize that parents and community are important partners in educating children. Building a strong relationship between home, school, and community is critical to a quality education. As such, it is an ongoing School Board goal to build understanding through effective internal and external communications systems.

As a parent or resident, when you need specific information, it is important to begin at the appropriate level. As a parent, for instance, when questions arise about classroom activities, the first place to start is with the teacher. The following chain outlines the protocol for school information:

- \*Teacher or counselor
- \*Principal
- \*Director of Special Education (when appropriate)
- \*Superintendent of Schools
- \*School Board

The School Board and administration make efforts to inform parents and citizens about school events. Generally, the School Board meets on the first and third Mondays of each month at 7:00 PM in the lecture hall, room #182 in the high school. There is always an opportunity for the public to address the School Board at these meetings. Please check the District's website or contact the Superintendent's Office for a detailed schedule of meetings.

Information about the Milford School District can also be found at [www.milfordschools.net](http://www.milfordschools.net). Additionally, school information frequently appears in The Cabinet, and The Granite Town Quarterly. School Board meetings can be seen on Community Access Channel 21.
