A "grievance" shall mean a complaint by a non-probationary employee that there has been to the grievant(s) a violation, misinterpretation or inequitable application of any of the provisions of this Agreement governing said employees, except a grievance shall not be:

Any matter for which a specific method of review is prescribed and expressly set forth by law or any rule or regulation of the State Commissioner of Education.

A grievance to be considered under this procedure must be initiated in writing on the form as contained in Appendix A by the employee within thirty (30) calendar days of its occurrence, or within thirty (30) calendar days of when the employee should have known of its occurrence.

Procedure:

Step 1 - Any member of the bargaining unit who has a grievance shall discuss it first with his Principal in an attempt to resolve the matter informally at that level. The Principal shall communicate his decision to the grievant within five (5) school days in writing.

Step 2 - The grievant may appeal the decision of the Principal to the Superintendent within five (5) school days after receipt of the decision at Step 1. The appeal to the Superintendent must be made in writing specifying: (a) the nature of the grievance; (b) the nature and extent of the injury or loss; (c) the results of previous discussions of the grievance; (d) his dissatisfaction with decisions previously rendered.

The Superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) school days from the receipt of the appeal. The Superintendent shall communicate his decision in writing to the grievant, to the Association, and to the Principal involved at the previous step of the grievance procedure.

Step 3 - If the Superintendent's decision does not resolve the grievance to the Grievant's satisfaction, the Grievant may request a review by the Board. Such request must be made within five (5) school days after receipt of the Superintendent's decision and shall be submitted, in writing, through the Superintendent, who shall attach all related papers and forward the request to the Board. The Board shall schedule and conduct a hearing within thirty (30) calendar days after the grievance is referred to them. The scope of the Board's authority shall be limited to interpretation and application of the terms of this agreement. The Board does not have any power to add or subtract from, alter, or modify any of the said provisions of this Agreement. The Board shall render its decision within fifteen (15) calendar days of the hearing.

Step 4 - If the matter is referred to arbitration by the Association, then the parties shall first attempt to agree on a mutually acceptable arbitrator. If they are unable to so within ten (10) work days of the Association's request for arbitration, then either party shall apply to the Public Employee Labor Relations Board (PELRB) to name an arbitrator under the rules and procedures of the PELRB. The arbitrator shall use his/her best efforts to arbitrate the grievance, including matters of procedural and substantive arbitrability, but he/she shall have no power to add to or subtract from, alter, or modify any of the provisions of this Agreement. The arbitrator shall thereafter submit a written decision to both parties. The arbitrator's decision shall be an advisory recommendation to the parties. The parties agree to share equally in the compensation and expenses of the arbitrator.

General:

It is understood that any employee grievant shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been duly determined.

Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be a waiver of further appeal of the decision.

- A. An employee shall be provided a written copy of his/her evaluation prior to said evaluation being placed in the employee's personnel file. The employee may request a conference to meet with the supervisor to discuss the evaluation. The Board determines, in accordance with RSA 273-A:1 XI, when and to what extent a layoff is necessary. Affected employees will be provided with at least a three (3) week notice of such actions. The Board will make every reasonable effort to reduce the impact of a reduction in force on the current staff by absorbing as many positions as possible

through attrition (retirement, resignations and leaves). The parties agree that probationary staff will be terminated first by classification by grade level.

Laid off employees are eligible to continue participation in the District's health insurance program at their own expense, and to the extent provided under the law (COBRA).

17. VACANCY NOTICE

- A. A vacancy shall be defined as a newly created position or a present position that is not filled.
- B. All vacancies which the Board intends to fill shall be posted in a conspicuous place in each building of the District for a period of six (6) days. Current employees may apply in writing in the manner outlined in the posted vacancy notice within the six (6) day posting period. The Superintendent/designee shall notify the Associate President of all vacancies by electronic media.

18. MISCELLANEOUS

- A. If any provision of this Agreement or any application of this Agreement to any employee or groups of employees is held to be contrary to law, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.
- B. It is understood that both parties have had an opportunity to make proposals during negotiations and that the Agreement reached as a result represents the total of all understandings between the parties for the contract term.

19. DURATION AND RENEWAL

This Agreement shall become effective as of July 1, 2013 and shall expire at midnight on June 30, 2016. No cost item in this Agreement shall be retroactive unless it has been specifically provided in this Agreement and approved specifically as retroactive cost items by the Board and the District Meeting.
