Things Kids Should know About School Bus Safety:

- The bus driver and others cannot see you if you are standing closer than 10 feet to the bus. Stay out of the danger zone!
- If something falls under or near the bus, tell the driver. NEVER try to pick it up yourself!
- While waiting for the bus, stay in a safe place away from the street.
- When you get on or off the bus, look for the bus safety lights and make sure they are flashing.
- Be alert to traffic. When you get on or off the bus, look left, right, left before you enter or cross the street.
- When the driver says it is safe to cross the street, remember to CROSS IN FRONT of the bus.
- Stay in your seat and sit quietly so that the driver is not distracted.
- Some school buses now have seat belts. If you have seat belts on your school bus, be sure to learn to use the seat belt correctly.
