Hi Bob,

The answer to request #j is:

Tuition for students in the district on tuition can be found in the Revenue Budget report in the following account numbers:

- 10.1311.000.0
- 10.1312.000.0
- 10.1314.000.0
- 10.1321.000.0
- 10.1323.000.0
- 10.1332.000.0

For request #k, I have attached the CIP by priority list to give them the background for the answer to their question. The answer to their question is that it is up to the school board to decide which, if any, of these projects will be completed with the funds remaining in the bond issue and/or whether there are other pressing projects that have come to their attention since the CIP was last updated. The school board has not made that determination yet.

I have attached the information the BAC requested in request #1.

Katie
