Bond Discussion:

School Board Chairman Dargie reviewed warrant article #1 with the public. Business Administrator Katie Chambers reminded the public that no new funds are being asked of the voters, but rather to use unspent money from the current bond, about \$285,000. Ms. Chambers described the plan to remove the carpet in the High School Student Services area and in the Marketing classrooms.

Ms. Chambers described the second repurpose which would be to install wireless access technology throughout the School District.

Mr. Dargie stated that, in his opinion, repurposing is another source of revenue and is, in effect, new spending.

Budget Committee member Rick Wood voiced support for the article.

Adjournment:
