2:30pm Welcome- by Denise Patrizio.

Review of Workers Compensations Log. Discussion regarding multiple reports of staff injuries from students. Jen Burk said the district may need to increase frequency of CPI training, especially for new hires – perhaps target the workshop day after the start of the school year, if possible.

Denise mentioned that several paraprofessionals at the HS have requested that they have keys to school doors as there are issues during lock down. Denise has brought this issue to Dr. Craven and it is being discussed with Bill Cooper (maintenance). Amanda reports that HP staff must carry their keys on a separate lanyard from ID for safety reasons.

3:05pm Inspection of Heron Pond done by 3 groups and all logs of possible issues given to Denise who will give them to Bill Cooper (maintenance) for follow up. The building principal will be notified of any needed action.

3:30 pm Adjournment.

Next meeting is scheduled for Monday, May 20, 2013 at the Jacques/Sage schools.
