Delta Dental PPO and Premier Networks

You'll get the best value from your Plan when you receive your dental care from one of Delta Dental's PPO or Premier network participating dentists, including:

▲ **No Balance Billing:** Participating dentists agree not to charge any difference between their fees and Delta Dental's allowed fees. Because participating dentists accept Delta Dental's allowed fees for services, you will typically pay less when you visit a participating dentist.

▲ **No Claims Paperwork:** Participating dentists will prepare and submit claim forms for you.

▲ **Direct Payment:** Northeast Delta Dental pays participating dentists directly, so you don't have to pay the covered amount up front and wait for a reimbursement check.

To find out if your dentist participates, you can: call your dentist, visit Northeast Delta Dental's website at www.nedelta.com or call Northeast Delta Dental's Customer Service at 800.832.5700.

Claim Process for Participating Dentists

Your participating dentist will submit your claim to Northeast Delta Dental (claims for any of your covered dependents should be submitted under *your* Subscriber ID number). Northeast Delta Dental will produce an Explanation of Benefits (available through Northeast Delta Dental's Benefit Lookup site at www.nedelta.com) detailing what has been processed under your Plan's coverage. You are responsible to pay any outstanding balance directly to the dentist.

Claim Process for Nonparticipating Dentists

Your Plan provides coverage regardless of your choice of dentist, participating or not. If you visit a nonparticipating dentist, you may be required to submit your own claim and pay for services at the time they are provided. Claim forms are available by calling Northeast Delta Dental or visiting www.nedelta.com. Payment will be made to you, the Subscriber, unless the state in which the services are rendered requires that assignment of benefits (directing that payment be sent to the dentist) be honored and Northeast Delta Dental receives written notice of such assignment. Payment for treatment performed by a nonparticipating dentist will be limited to the lesser of the dentist's actual submitted charge or Delta Dental's allowance for nonparticipating dentists in the geographic area in which services are provided. It is your responsibility to ensure that full payment is made to the dentist. Northeast Delta Dental will produce an Explanation of Benefits (available through Northeast Delta Dental's Benefit Lookup site at www.nedelta.com) detailing what has been processed under your Plan's coverage.

Predetermination of Benefits

HealthTrust and Northeast Delta Dental strongly encourage predetermination of cases involving costly or extensive treatment plans. Although it's not required, predetermination helps avoid any potential confusion regarding your Plan's payment and your financial obligation to the dentist.

Coordination of Benefits

When an individual covered under this Plan has additional dental coverage, the Coordination of Benefits provision described in your Dental Plan Description will determine the sequence and extent of payment. If you have any questions, please contact Northeast Delta Dental's Customer Service at 800.832.5700 or 603.223.1234.

Identification Card

Upon your initial enrollment in a HealthTrust Dental Plan, two identification cards from Northeast Delta Dental will be produced and distributed. Both cards are issued in the subscriber's name, but can be used by everyone covered under the Plan. Any additional or replacement cards will be available through Northeast Delta Dental's Benefit Lookup site at www.nedelta.com.
