EARLY GRADUATION

3535 (IKFA)

The Board supports early graduation as a means to earn a high school diploma. Parental involvement for students under the age of 18 is required. The high school Principal shall approve such requests if he/she and a School Counselor determines that all state and local graduation requirements will be met and that early graduation is related to career and/or educational plans of the student making the request. An early graduation application and credit sheet can be found on the District website or in the School Counseling Office.
